

International Delight Lyrics

[CHORUS]

So when I need a break
Just got one moment free
One sip is all it takes
I just delight in iced coffee
This mocha is my destiny
I said "mmm, mmm!"
Delight in iced coffee!

[VERSE]

We lead crazy, hectic lives
With PTA, groceries, exercise
Always on the go from morn til night
Oh, we're bound to need some caffeine
Bound to need some caffeine

[CHORUS]

I take a sip
And it's so sweet and creamy
So cold and rich - I'm refreshed

So when I need a break
Just got one moment free
One sip is all it takes
I just delight in iced coffee
This mocha is my destiny
I said "mmm, mmm!"
Delight in iced coffee!

[VERSE]

The perfect drink at my own place
The coffee shop experience with no rat-race
Now I can relax and get some space
I know I'm bound to find some me-time. Bound to find some me-time

[CHORUS]

I take a sip
And it's so sweet and creamy
So cold and rich I'm refreshed

So when I need a break
Just got one moment free
One sip is all it takes
I just delight in iced coffee
This mocha is my destiny
I said "mmm, mmm!"
Delight in iced coffee!

[BRIDGE]

At the coffee shop
They think my name is Stephen
I don't know why 'cause my name's Claire

[CHORUS]

I take a sip
And it's so sweet and creamy
So cold and rich - I'm refreshed

So when I need a break
Just got one moment free
One sip is all it takes
I just delight in iced coffee
This mocha is my destiny
I said "mmm, mmm!"
Delight in iced coffee!
